Sub- Redevelopment of the Buildings of Vijay Vihar Society

Respected MC Members,

As you are very well aware that our Society Bldgs are more than 50 years old and are probably in C-2 Category of MCGB safety norms and very likely to come to C-1 Category in near future.
Our sincere request to all the distinguished members of the Managing Committee to convene a Special General Body Meeting to discuss the issue of Redevelopment either by an Developer or by Self Redevelopment.

We undersigned members are very optimistic that this matter of prime importance will be undertaken by the Honorable Members of the Managing Committee of Vijay Vihar Society on a War Footing.

Sincerely Yours
